

## Message from the Teacher:

I hope you are all keeping safe and well and have been managing to get outside when the weather has been sunny. Below is an outline of the learning you can find on the BBC Bitesize website (there is a link on the school website or you can access it on your TV via the red button). I hope you find the activities interesting and fun. If you can't print off any worksheets, then have a go at writing some of the things in the exercise book we sent home with you. There are also some additional, fun activities you could try. Just copy and paste the web links into your browser to access the sites. Have fun and stay safe, Mrs Nash x

	 <p><b>English</b></p>	 <p><b>Maths</b></p>	 <p><b>Wider Curriculum</b></p>	 <p><b>Other opportunities</b></p>
<b>Monday 1<sup>st</sup> June</b>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will be recapping on the use of capital letters and full stops. Can you use them correctly in a sentence?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will find out what mass is. Can you find things in the house to measure the mass of them? What do you need to use to find the mass of an object?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>History - You will learn some really interesting facts about Queen Victoria. Can you write a fact file about her?</p>	<p>Why not complete a Joe Wicks workout. They are on every day and you can watch them at any time, just follow this <a href="#">link</a>. You have learnt about lots of historical figures why not explore about some more history with Sophie, Ellie and their Father on History Storytime. <a href="http://Historystorytime.podbean.com">Historystorytime.podbean.com</a></p>
<b>Tuesday</b>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will learn what a command is. What command sentences can you write? When might you use a command sentence?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will learn about capacity and volume. Can you compare the capacity and volume of things?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Geography - Today you will learn about the continent of South America. You will look more in depth at a place called Rio De Janeiro. Where in the world will you find it?</p>	<p>Why not complete a Joe Wicks workout. They are on every day and you can watch them at any time, just follow this <a href="#">link</a>. If you like drawing why not follow an award winning illustrator Rob Biddulph with his draw along sessions on his twitter feed at: @RobBiddulph</p>
<b>Wednesday</b>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will learn what a suffix is. These are letters you add on to the end of a word, to change the meaning. What suffixes do you know? Can you use any of the suffixes you have learnt to write a sentence?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will use your knowledge of capacity and volume to measure these. What unit of measurement do you use?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Science – You will learn about habitats. What are habitat and what different types of habitat can you think of? Which animals live in which habitats?</p>	<p>Why not complete a Joe Wicks workout. They are on every day and you can watch them at any time, just follow this <a href="#">link</a>. From your knowledge about habitats can you find different materials outside to make a nest for a bird or build a bug hotel.</p>

<b>Thursday</b>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will recap on exclamation mark. When could you use an exclamation mark? Can you write some sentences with an exclamation mark at the end?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will look solving problems involving mass and capacity.</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>French – You will learn how to count in French and also name some food and drink in French.</p>	<p>Why not complete a Joe Wicks workout. They are on every day and you can watch them at any time, just follow this <a href="#">link</a>. If you like to dance why not try shake it with Oti Mabuse from Strictly Come Dancing on her Facebook page. @OtiMabuse</p>
<b>Friday</b>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today you will practise you handwriting. Make sure all the letters are formed correctly and sit on the line correctly. Can you write words with the suffix 'ly' in. Don't forget the 'l' is a tall letter and the 'y' needs to sit on the line with the tail going under it.</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Can you use all your Maths knowledge to complete the challenge of the week?</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Design and Technology – You will learn about packaging. Can you find things in your house that have packaging? What materials are they made from? Why do we need packaging and is it harmful to the environment?</p>	<p>Why not complete a Joe Wicks workout. They are on every day and you can watch them at any time, just follow this <a href="#">link</a>. You have learnt about packaging. Can you design your own packaging for a product e.g. a chocolate bar or a box of cereal?</p>

## Year One's Weekly Timetable
