

Year 4's Weekly Timetable

Message from the Teacher:

Hello Year 4,

I hope that you and your families are safe and well. I look forward to talking to you on the phone this week. It will be good to hear what you have planned for your week other than this learning. I hope you all had a good half-term and are ready to get back to doing some work this week.

Below are this week's learning activities. The English, Maths and Wider Curriculum activities can all be found on the [BBC website](#) and then the 'Other opportunities' section is filled with fun activities that I thought you might like. Remember any activities you do can be done in the lined workbook that you got from school. Also, don't forget to continue practicing and learning your times tables.

The weather looks like it will be nice this week, so try to take a chance to do some outdoor exercise with an adult. Why not go on a walk to somewhere new or maybe take out your favourite book and read in the garden.

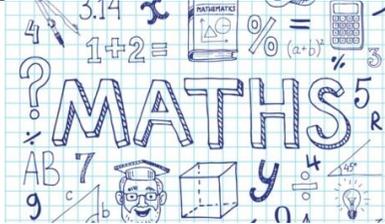

Stay safe,
Miss Elvins 😊

miStAkEs
are proof
that you are
TRYING

You are BRAVER
than you believe,
STRONGER
than you seem and
SMARTER
than you think.

	 <p>English</p>	 <p>Maths</p>	 <p>Wider Curriculum</p>	 <p>Other opportunities</p>
<p>Monday</p>	<p>Refer to the BBC Bitesize Daily Lessons activities (click here).</p> <p>Your learning objective for today is: To be able to use the suffixes -ous and -sion.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - one video about the suffix -ous - one video about the suffix -sion - three activities 	<p>Refer to the BBC Bitesize Daily Lessons activities (click here).</p> <p>During this lesson you will focus on learning how to add two fractions together. We were learning about fractions just before we broke up. Remember to add the numerator (never under) and not the denominator (down).</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - one video - three interactive activities 	<p>Refer to the BBC Bitesize Daily Lessons activities (click here).</p> <p>Today's lesson is History. We will be learning about what it was like to live in the Iron Age.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - two videos exploring what life was like in the Iron Age. - two activities to build historical knowledge and understanding. 	<p>Make a list of seven kind things you can do for someone else.</p> <p>This could be for people you live with (e.g. do the dishes one evening, tidy your room, read with your brother or sister) or people you don't get to see every day (send someone a compliment by text, draw a picture and send a photo of it to your grandparents, etc).</p> <p>Each day do one of the seven kind things from your list.</p>  <p>KINDNESS</p>
<p>Tuesday</p>	<p>Your learning objective for today is: To understand how to use brackets to add extra information to your writing.</p> <p>This lesson includes:</p>	<p>The focus of today's lesson is subtracting fractions from whole numbers and from mixed numbers. Again, we did this just before we broke up so hopefully you might remember a few things. Remember you</p>	<p>Today's lesson is Geography and you will be learning about the weather and climate in the UK and around the world including an introduction to climate zones and climate change.</p>	<p>Do you like Wallace and Gromit? Or Shaun the Sheep?</p> <p>Why not try making your own animation? You could do down the more traditional route and use playdough with some stop-motion effects. Click here for a video which explains how to make your</p>

	<ul style="list-style-type: none"> - one video about how and when to use brackets - one video about a Viking story - three activities 	<p>can watch the videos as many times as you want.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - two videos - two interactive activities 	<p>This lesson includes:</p> <ul style="list-style-type: none"> - one animation about weather and climate - one short film about the difference between weather and climate and an introduction to climate zones - three activities to build on the knowledge 	<p>own. If you don't have any clay or playdough, you can use anything around your house.</p> <p>Be creative and just remember to clean up after yourself.</p>
<p>Wednesday</p>	<p>Your learning objective for today is: To revise using apostrophes to contract (combine) words and use them in your writing.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - one video to help you revise apostrophes for contraction - one video about the inspirational scientist Marie Curie - three activities 	<p>The focus of today's Maths lesson is learning how to work out a fraction of an amount. For example, one quarter of 30.</p> <p>When we did this at school, we found this quite tricky so take you time, watch the videos as many times as you want and just try your best.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - one video - three interactive activities 	<p>Today's lesson is Science and will be learning about food chains.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - one video - five activities to reinforce learning 	<p>Make a poster to thank your postman/postwoman and any delivery drivers that bring food and other items to your house, then display it outside your front door, where they'll see it.</p> <div data-bbox="1765 874 2056 1168" style="text-align: center;">  <p>THANK YOU GRATITUDE</p> </div>
<p>Thursday</p>	<p>Your learning objective for today is: To revise the rules for apostrophes for possession and use them in your writing.</p> <p>This lesson contains:</p>	<p>The focus of today's Maths lesson is learning how to answer problem solving questions involving fractions.</p> <p>Follow the instructions on the page, making sure to watch any</p>	<p>Today's lesson is French. In this lesson you will learn how to talk about the clothes you wear and the food you eat. We normally learn Spanish at school so don't worry if you find this tricky. Just have a go, it's</p>	<p>Why not spend some time practicing and developing your drawing skills? Drawing has lots of great benefits. It helps you to be in the moment and focus on the here and now, which can make you feel happier.</p>

	<ul style="list-style-type: none"> - one video to help you revise how to use apostrophes to show possession - one video showing the first episode of <i>Treasure Island</i> - four activities 	<p>videos. Then, complete the activities in your workbook.</p>	<p>always fun to learn a few words in another language.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - Two videos - Three activities to help with learning 	<p>What's more, you'll have lots of lovely pictures to hang on a display or the fridge.</p> <p>YouTube has lots of videos that provide step by step instructions on how to draw things. Click here to learn to draw a cute donut. Click here to learn to draw an owl. Click here to learn how to draw Pikachu.</p>
<p>Friday</p>	<p>Today's English focus is a Reading lesson.</p> <p>Your learning objective for today is: To understand what inference means and use it to answer questions about a story.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - one video to remind you what inference is - one video telling the story of <i>Tiddalik the Frog</i> - three activities 	<p>Today you will be completing a Maths challenge of the week.</p> <p>Follow the instructions on the page, making sure to watch any videos. Then, complete the activities in your workbook.</p>	<p>Today's lesson is Design and Technology. Today, you will be learning the basics of mechanical systems.</p> <p>This lesson includes:</p> <ul style="list-style-type: none"> - two video clips demonstrating the use of cams and followers - two activities to try at home 	<p>Keep in touch with someone you can't see face to face.</p> <p>You can do this by phone, text, Skype, WhatsApp etc - use whatever technology you have available to connect with people you care about.</p> <p>This could be your friends, your grandparents, or other relatives, for example.</p> <div style="text-align: center;">  <p>KEEP IN TOUCH</p> </div>
